## MARRIAGE & THE FAMILY

Lamont is a gay pride parade marcher and opposes the true definition of marriage between one man and one woman.

Lamont's pro-LGBT views are so extreme the he would even put public health at risk so as to advance his sexual libertine ideology. He called on government health services to end their longtime practice of refusing blood donations from men-who-have-sex-with-men. The existing blood donor ban on homosexual men is due to the fact that such people carry a dramatically higher risk of passing on HIV and other infections, and could taint the blood supply.

Bad

## TRANSGENDER IDEOLOGY

Lamont is a supporter of radical transgender ideology and the unscientific theory of gender identity.

He proudly promoted the fact that his Liberal party is running as a candidate, a sexually-confused biological male who identifies as transgender.
