VOTING RECORD

Kinew has voted badly on life issues during his time as an MLA.

Bad

SANCTITY OF LIFE

Kinew is rabidly in favour of the so-called “right” to kill children in the womb, and even takes the extreme position of calling this evil act a “human right”.

Bad

ABORTION FUNDING

Kinew supports forcing taxpayers to fund medically-unnecessary elective abortions. During the leftist campaign to pressure the PC government into funding the controversial abortion pill, he produced a video in support of abortion pill financing.

Bad

CONSCIENCE RIGHTS

Kinew reluctantly acknowledged the need to protect the conscience rights of medical professional who object to direct participation in euthanasia and assisted suicide.

However, he does not support the right of conscientious objectors to refuse to provide an effective euthanasia referral of their patients to a different doctor who is willing to kill them.

Bad

ANTI-FREE SPEECH BUBBLE ZONES

Wab Kinew supported a private member’s bill that sought to criminalize peaceful pro-life expression and demonstrations within a radius of up to 150 metres around abortion mills.

MARRIAGE & THE FAMILY

Kinew is a gay pride marcher and opposes the true definition of marriage between one man and one woman.

Bad

TRANSGENDER IDEOLOGY

Kinew is a militant supporter of radical transgender ideology and the unscientific theory of gender identity.

He introduced a private members bill to add a third sex option to birth certificates and health cards. By adding an "X" in addition to male and female options on government ID, the bill would cooperate with the the delusions of sexually-confused individuals that they are neither male nor female, which is actually harmful to the persons involved.

Bad

PARENTAL RIGHTS

Kinew opposes parents' rights to guide the moral education of their own children, and favours values-inculcation by the State.

Kinew attacked the Hanover School Division trustees for resisting LGBT indoctrination programs targeting elementary schools.

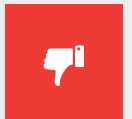

Bad

DRUGS

Wants provincial law to permit smoking drugs at large outdoor events, like the Winnipeg Folk Festival.

Wants to create heroin shooting galleries where drug addicts can legally come to shoot up heroin, consume crystal meth, etc. This reckless policy would spread the use of harmful drugs to even more Manitobans, and destroy neighborhoods as has been experienced in Toronto and Vancouver with a dramatic rise in theft, violent crime and drug trafficking.
